

## Membership Terms & Conditions

Thank you for joining the Australasian Plant Society (APS). We hope you will enjoy your membership and finding out about the conservation and cultivation of Australasian plants and their closest relatives.

As part of your membership you will receive:

- Pentachondra (our journal) twice annually.
- Occasional e-newsletters about Australasian plants, the APS and our events.
- Access to our members only Facebook group.
- Access to our seed-list (only £4 for UK members, £5 for other EU members, for up to 20 packets of seed annually).
- The opportunity to attend APS events.
- The opportunity to become a Plant Guardian through our affiliation to Plant Heritage without becoming a member of Plant Heritage. <http://www.nccpg.com/Plant-Guardians.aspx>.
- The opportunity to make your plants count towards international plant conservation targets through our agreement with Botanic Gardens Conservation International (BGCI).
