Membership Terms & Conditions

Thank you for joining the Australasian Plant Society (APS). We hope you will enjoy your membership and finding out about the conservation and cultivation of Australasian plants and their closest relatives.

As part of your membership, you will receive:

• *Pentachondra* (our journal) twice annually

• Occasional e-newsletters about Australasian plants, the APS and our activities

• Access to our members only section of our website www.anzplantsoc.org.

• Our seed-list (only £8 for UK members annually). We are unable to offer seed to members who are overseas

As a member you will have the opportunity to:

• Access our members only Facebook group

• Attend our annual members' day with our Annual General Meeting, usually held in Spring, when the Committee provide an update on the Accounts and the activities in the previous year, with future plans too

• Attend APS events and take part in any plant swaps

• Volunteer at events we attend or in any of our activities

• To take part in conservation schemes the APS is involved in, eg to become a Plant Guardian through our affiliation to Plant Heritage www.plantheritage.org.uk/conservation/could-you-be-a-plant-guardian

---

We take your privacy very seriously – we will keep you informed of details regarding your membership and the activities noted above by post, email or phone.

You can change your preferences in how we contact you; which journals or newsletters you receive; or let us know of any change in contact details, by sending an email to membership@anzplantsoc.org.uk.

For full details of how we use your data please refer to the Privacy Statement which is available at www.anzplantsoc.org.uk.
